Vaccinations

We require a current vaccination certificate from your veterinarian that your dog's vaccinations for DAP 1 or 3 year (Distemper, Parvo, Para influenza) and Bordetella (kennel cough) have been administered 5-7 days prior to the first day of boarding. Rabies vaccination highly recommended but we do not require it for boarding. (We do accept Titer tests for DAP)

For cats in our stay, we require vaccinations for the respiratory diseases and distemper.

I understand the vaccination policy as outlined above. Initial here
